DEDICATION

MR. EUGENE REMENAR

We, the class of 1957, dedicate this year book to Mr. Eugene Remenar.

Mr. Remenar is our head football coach, teacher of Senior Mathematics, and Seventh Grade Geography. He has recently been appointed Dean of Boys.

Mr. Remenar, for the past four years you have served us well as an advisor. Our wish for you is a long and successful career advising other classes throughout the years.

FOREWORD

Proudly, we, the class of 1957, present a pictorial account of our school year at Bridgeport High School.

We hope that it will enable you to relive many of the pleasant times you had at our school, and that you will look back frequently--and fondly--on the exciting and profitable years you spent with us here at Bridgeport High School.

OUR CLASS SONG

Tune: "You'll Never walk Alone"

*by Carole Armbruster
and Carol Moore*

When our days at Bridgeport High are thru,
And our life begins anew,
We will always remember these days with our friends,
And the many happy hours without end,
Farewell to our friends, farewell to our school,
May our memories linger on.

Farewell, farewell sweet days of our youth,
Let our thoughts be ere with thee.

Our prom, our dates, the games that we won,
Will live in memory, will live in memory,
Thru all eternity.

The Y-Teens is a service club which is associated with the local and national Y. W. C. A. The purpose of this club is "to find and give the best". Its goal is to help each member grow as a person; grow in the knowledge and love of God; grow in friendship with people of all races, religions and nationalities.

The many girls from the ninth through the twelfth grades are always ready and on hand to do the many worthwhile service projects.

While belonging to the Y-Teens, the girls learn how to become better citizens and to take an interest in the welfare of community and country.

IN KIND REMEMBRANCE OF MRS. MARY SCAMMELL

To say she was a devoted secretary to the superintendent is to overlook the kind consideration given to all who called upon her for help. To say she gave eighteen years of service to Bridgeport's schools is to exclude the many "little" tasks she, smilingly, did for us all. To say, "we will miss her" is to conceal the sorrow we have in our hearts.

We shall miss her.
